## PFL SCHEDULE/ CHAMPIONSHIP HISTORY

From 1993-2000 – and returning to the format in 2005 – the PFL was composed of one division and the championship went to the team with the best conference record. From 2001-2005, the league expanded and split into two divisions - North (N) and South (S) - with the divisional winners, who were the teams with the best record against divisional opponents, facing off in a championship game, the winner of that game was awarded the league's championship
