FRESHMAN DEFENSIVE
PLAYER OF THE YEAR

ST. LOUIS – Pioneer Football League officials announced, Tuesday, the winners of its postseason honors and the All-Pioneer Football League first and second teams. All selections were made by the league's coaches, who were not permitted to vote for their own players.

Butler and Dayton each won a share of the 2009 PFL regular-season title in a race that came down to the season's final weekend. It is Butler's second league title and first since 1994. Dayton wins at least a share of the title for the 10th time and first since 2007.

Dayton quarterback Steve Valentino was named the league's Offensive Player of the Year, while Butler head coach Jeff Voris was named the league's Coach of the Year. Morehead State linebacker Wes McDermott received the league's Defensive Player of the Year honor. The league's freshman awards went to San Diego wide receiver Kyle Warren and Drake defensive back Tyler Moorehead, who were named the league's Offensive and Defensive Freshman of the Year, respectively.

Valentino, a first-team All-PFL wide receiver last season, became Dayton's starting quarterback in the season's second week and promptly led his team to seven consecutive victories overall en route to a share of the league's regular-season title (7-1) and a 9-2 overall mark. He finished the regular-season averaging a league-best 281.6 yards total offense and led all quarterbacks in rushing, with 65.6 yards per game to rank fourth among the league's rushers. He also ranked second among the league's quarterbacks in yardage (216.0 ypg) and pass efficiency rating (139.8).

McDermott wins the league's Defensive Player of the Year honor after finishing the regular-season ranked second in tackles (9.9 pg) and third in tackles-for-loss (1.50 pg). He led all linebackers in tackles (109), posting 14 more than the next closest follower. McDermott led a Morehead State defense that finished the season ranked second in total defense, allowing just 266.3 yards per game, and led the league in rushing defense, permitting a paltry 72.5 yards per game on the ground.

Warren was San Diego's big-play receiver, posting 11 catches for 338 yards – a 30.7 yards per catch average. Of his 11 receptions, six went for touchdowns, including an 82-yard touchdown catch-and-carry against Dayton. He had five touchdown catches on nine total receptions in PFL play alone.

Moorehead ranked among the league's top 30 in tackles (6.1 pg) in his first season of action. He also ranked sixth in tackles-for-loss (1.32 pg) and was one of three players to lead the league with four forced fumbles this season. Moorehead was a key component of a defensive unit that ranked second in rush defense, surrendering 90.5 yards per game, and fourth in total defense, allowing 276.5 yards per contest.

Voris wins Coach of the Year honors for the first time in his fourth season at Butler. He led the Bulldogs from a 4-4, fourth-place PFL finish, in 2008 to a share of the league title (7-1) in 2009. Butler posted a school-record 11 wins this season, won nine consecutive games to start the campaign and was the next-to-last unbeaten FCS team.

projects at local elementary schools, including participation in a volunteer tutoring program at Parkview Elementary. Rundh also helped organize a book sale to raise money for Opportunity Enterprises, a local organization that promotes self-sufficiency and life choices for challenged individuals. He also helped with a local Christmas gift collection for local families in need. Rundh also has excelled in the classroom, earning ESPN The Magazine Second-Team Academic All-America honors as a junior. He also was a First Team Arthur Ashe Jr. Sports Scholar Award recipient in 2007. On the field, he has twice received honorable mention All-PFL honors.

DAYTON SHUTOUT STREAK STILL GOING STRONG: Including its 2009-ending victory against Marist, the Flyers have not been shutout in 377 consecutive games, dating back to Oct. 16, 1976. During that streak Dayton has shutout its opponent 63 times. A list of the last shutout win and loss for each PFL squad is available on page 8.

RAKE RECORDS HISTORIC 550th VICTORY: Drake recorded the 550th win in program history with its season-opening victory against Grand View, Sept. 5. The Bulldogs are one of three PFL teams with 500 or more victories during their history. Below is a look at each PFL program's current all-time wins total, according to the NCAA:

School	Wins
Butler	537
Campbell	4
Davidson	407
Dayton	612
Drake	557
Jacksonville	53
Marist	146
Morehead State	311
San Diego	222
Valparaiso	360

MORE ABOUT VICTORIES: Last season, Dayton became the 11th NCAA FCS team – and the first west of the Alleghenies – to win at least 600 games in its football history when it downed Davidson. Here are the 12 members of the club, heading into the 2009 season. Yale (853), Harvard (798), Penn (796), Princeton (780), Fordham (738), Dartmouth (643), Lafayette (640), Delaware (633), Lehigh (625), Cornell (616), Dayton (603) and North Dakota State (601).

SAN DIEGO PICKED TO WIN PFL: For the fourth consecutive season, the Pioneer Football League's coaches have tabbed San Diego as the preseason favorite in the PFL Preseason Coaches' Poll, receiving only five of 10 possible first-place votes. While San Diego was picked to win, the

league's coaches also expect a competitive conference race as only six points separate the Toreros from Dayton and Jacksonville who were picked to finish tied for second. Dayton, a perennial favorite, picked up three first place votes and 71 points while 2008 PFL Champion Jacksonville received the other two first place votes and also finished with 71 points:

DIVISION I FCS, PLEASE: Although some people may accidentally still refer to it as I-AA football, the term that represents the level of Division I football in which the Pioneer Football League competes has been retired. Beginning with the 2006 National Championship game, the term Football Championship Subdivision (or FCS) is to be used. FCS is the only Division I football rank to host a NCAA-sponsored national championship (one of 88 championships the NCAA sponsors). The division formerly known as I-A was changed to Football Bowl Subdivision (FBS) and those teams compete for the Bowl Championship Series (BCS) national championship. Teams who play at the FCS level can offer a maximum of 63 scholarships (FBS teams can offer 85) and compete in a 20-team playoff at the end of the season to determine the national champion.

Notes on PFL Championship: From 1993-2000 – and returning to the format in 2005 – the PFL was composed of one division and the championship went to the team with the best conference record. From 2001-2005, the league expanded and split into two divisions - North (N) and South (S) - with the divisional winners, who were the teams with the best record against divisional opponents, facing off in a championship game, the winner of that game was awarded the league's championship.
